Please complete this form and include it when shipping components to us.

Notes for Sending Your (Non-Warp Drive) Propeller in for Credit

- We offer a \$100.00 (USD) trade-in credit toward the purchase of a new Warp Drive propeller when you send us your old non-Warp Drive brand propeller. It is acceptable for the propeller to be damaged but we will not give credit for a propeller that has been destroyed.
- If you are questioning whether or not you would receive the credit, please submit a photo through the contact form here: warpdriveinc.com/contact
- Protect items during shipping. Many shipping companies have boxes made for shipping golf clubs, they work well for shipping propellers.
